VIBRANT HOMELIKE ENVIRONMENT

The Gardens of Pelham I and the Gardens of Pelham II offers a vibrant homelike environment and cozy apartments for seniors. The residents also enjoy socializing outdoors under the covered gazebo situated between the two buildings.

PEACE OF MIND!

Our retirement community offers seniors a comfortable home along with compassionate caregivers ready to lend a helping hand when needed. Amenities include a private apartment, weekly housekeeping services, and daily home-cooked meals served “family style” in the dining room. Also included is a 24-hour monitored emergency call system to provide you and your family peace of mind.

JOIN THE FUN! We have an active social calendar of leisure activities... residents enjoy music, arts and crafts, fitness and exercises, board games and cards, cooking classes, movies, parties and fun excursions!

SOCIALIZATION One of the reasons seniors thrive at the Gardens of Pelham Assisted Living is the close-knit family environment. With our support, residents feel safe and at home.

BEAUTY SALON

Our on-site beauty salon offers professional hair cuts and styles so that our residents might look their best without ever needing to get in your car!

“So thrilled that my mom is here. I never worry about her safety or happiness!
